To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore,
B a n g a l o r e.

Sir,

I have the honour to submit herewith a copy of letter No. F.S.810 of the 13th instant from the Deputy Commissioner of the Hassan District in regard to permission being given to export certain quantities of horsegram, rice and ragi, and fodder for cattle, in the case of carts going from the western parts of the district to the coast. The Deputy Commissioner has subsequently, in his letter No. F.S.844 dated 25th instant, intimated that ~~the period for which~~ the quantities specified by him will be allowed for a maximum period of 15 days. I request that the arrangements made by the Deputy Commissioner may be approved.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller & Director.

KM/MPH.

Letter No. F.S.810 dated 13th March 1919, from the Deputy Commissioner, Hassan District, to the Food Controller and Director of Civil Supplies in Mysore.

--

With reference to your memo No.3281-8 dated 3rd February 1919 forwarding copy of your letter to the Amildar, Arkalgud taluk, intimating that no export of food grains outside the State even of quantities under one palla can be allowed, except under license of the proper authority, I have the honour to state that in several cases reported from the Arkalgud and Manjarabad taluks, it was found that small quantities of gram which was being carried in carts laden with coffee and other uncontrolled articles, for the use of bullocks during journey to and from British districts, was stopped for want of license at the "ookads". The question was discussed during my recent visit to Saklespur and it is the unanimous opinion of all that sufficient quantity of rice, ragi and gram and straw absolutely necessary for the cartmen and bullocks should be allowed without any restraint during the journey from Mysore State to British district and back and that the following quantities may be allowed.

1.	per pair of bullocks.	3 seers of gram per day per pair
2.	do.	Straw as muchas is necessary
3.	do.	at 1 seer per day per man for driver and other accompanying the consignment not exceeding two per cart.

I have instructed the Amildars to allow the export of quantities not exceeding the above limit.
